

INSTRUCTIONS:

The IRS places a limit on the amount you are able to contribute to a 403(b) plan each year. You may experience adverse tax consequences if you exceed your annual limit. This worksheet will help you calculate your annual limit. Because the IRS limit and your personal limit may change each year, you should complete and submit a copy of this worksheet every year in which you participate in the Department of Education TSA Program. Please ensure you complete the appropriate worksheet for the applicable year.

Keep a copy for your records, and mail original to the Employee Benefits Unit: Department of Education, Employee Benefits, PO Box 2360, Honolulu, HI 96804.
